if you want to call to their attention the rules change schedule for 1:00 today.

SENATOR DUIS: Yes, yes I might, Senator Carpenter and Senator Warner, the rules committee will meet at 1:00 today and your rule changes will be before us if you'll be there or have someone else there. We thank you.

CLERK: Mr. President there is a unanimous consent request (read).

SPEAKER: Are there any objections to the use of the West Chamber today? Any objections? Hearing none, it is so ordered. Senator Whitney, for what purpose do you wish to be recognized?

SENATOR WHITNEY: Mr. President and Members of the Legislature, the Committee on Committees has had a scheduled meeting for two or three weeks now, for this afternoon at 1:00. I'm sorry that the Rules Committee has decided to have a meeting at the same time because I'm certain that some of those 13 members of the Committee on Committees might like to come and be at the Rules Committee meeting.

SPEAKER: Senator Duis.

SENATOR DUIS: Mr. President, I, Senator Whitney, we scheduled this about three weeks ago because we were having trouble getting everybody together at one time. I really don't know what to do. I presume, I'm wondering how many of these people, how many of the legislators on the Rules Committee are on your Committee on Committees--you have what, 12 members, I think. We just have 5 and I presume, let's see, Senator Goodrich is on your committee and Senator Stromer's on your committee. Goodrich isn't on the Committee on Committees?

SPEAKER: No.

SENATOR DUIS: I would presume that Senator Stromer and I are the only ones that would be absent from your committee meeting. Will that bother you too much?

SPEAKER: Senator Whitney.

SENATOR WHITNEY: Senator Stahmer has asked to not be there and I have not had any other person--
